

## **DR SULATHA V BHANDARY PUBLICATIONS**

1. Ibrahim S, Chowraippa P, Dua S, Acharya UR, Noronha K, Bhandary SV et al. Classification of diabetes maculopathy images using data adaptive Neuro fuzzy inference classifier. Med Biol Eng Comput. DOI 10.1007/s11517-015-1329-0
2. Mookiah MR, Acharya UR, Fujita H, Koh J E.W, Tan JH, Noronha K, Bhandary SV et al. Local configuration pattern features for age-related macular degeneration characterization and classification Computers in Biology and Medicine. Computers in Biology and Medicine 63(2015)208–218
3. Bhandary SV, Rao LG, Addoor KR, Katte RA, Kusumgar P, Kamath A: Efficacy of cost-effective, portable nonmydriatic fundus camera, manufactured in India, to detect retinal pathology in comparison with regular mydriatic fundus camera. International journal of Medical Sciences and Public Health, January 2015; 4(6)(Online First). DOI: 10.5455/ijmsph2015, 03012015168
4. Rao LG, Rao K, Bhandary S, Shetty PR .Orbital cellulitis with periorbital abscess secondary to methicillin-resistant Staphylococcus aureus (MRSA) sepsis in an immunocompetent neonate. BMJ Case Reports. 2015. doi:10.1136/bcr-2014-209183
5. Bhandary SV, Pai H Vijaya, Rao LG, Prakash Peralam Y. Cunninghamella spinosum fungal corneal ulcer – first case report: IJO.2014;62(3): 375-376 March 2014. ISSN 0301-4738
6. Noronha KP, Acharya U.R ,Nayak KP, Martis RJ, Bhandary SV. Automated classification of glaucoma stages using higher order cumulant features. Journal of Biomedical Signal Processing and control. 2013./dx.doi.org/10.1016/j.bspc.2013.11.006
7. Bhandary SV, Pai H Vijaya. Intractable glaucoma following Bee sting injury – a case report. Kerala Journal of Ophthalmology.2012;14(1):68-69
8. Noronha K., Acharya UR, Nayak KP, Kamath S., Bhandary SV.: Decision support system for diabetes retinopathy using discrete wavelet transform. Journal of engineering in Medicine 0954411912470240, Dec.28,2012 as doi:10.1177/0954411912470240.

9. Rao LG, Bhandary SV, Addoor KR, Gupta A, Debuka E: Noduloulcerative scleritis: a rare presentation of tuberculosis: Chakshu, Dec 2012;29(3).
10. Rao LG, Addoor KR, Bhandary SV, Jain V. Homocysteine levels in patients with retinal venous vein occlusions. Kerala Journal of Ophthalmology. 2011;13(1):56-58. March 2011, ISSN 0976-6677.
11. Bhandary SV, Khanna R, Addoor KR, Rao KR, Lingam kKD, V. Binu. Eye donation – Awareness and willingness among attendants of patients at various clinics in Melaka, Malaysia. Indian Journal of Ophthalmology. January 2011;59(1):41-44.
12. Addoor KR, Bhandary SV, Khanna R, Rao LG, Lingam K, VS Binu et al. Assessment of awareness of Diabetic Retinopathy among diabetics attending the peripheral diabetic clinics in Melaka Malaysia. The Medical journal of Malaysia. March 2011;66(1).
13. Yegneswaran P, Pai H Vijaya, Bairy I, Bhandary SV. Colletotrichum graminicola keratitis: First case report from India. Indian journal of Ophthalmology. Sept.-October 2010;58:415-417
14. Pai H Vijaya, Bhandary SV. Necrotising scleritis following laser therapy for corneal vascularisation. Annals of ophthalmology. January 2009;41(1):50-51.
15. Pai H Vijaya, Addoor KR, Bhandary SV. Visual loss following Dacryocystectomy. Ophthalmic Surg Lasers Imaging. November/December 2006;37(6):494-496
16. Rao LG, Bhandary SV, Devi AR, Gangadharan S. Floppy eyelid syndrome in an infant. Indian J Ophthalmol. 2006 July-September;54(3):217.
17. Rao LG, Bhandary SV, Devi A, Ninan A, Jain V, Veluri: H. Ocular toxicity of Anti Tuberculous treatment. Kerala Journal of Ophthalmology. September 2006; 18(3):198-200.
18. Pai H Vijaya, Bhandary SV. Surgically induced astigmatism in superior VS BENT scleral tunnel incision in Phacoemulsification CD version CHAKSHU, Journal of Karnataka Ophthalmological Society. 2003
