Student Support Centre

Caring through Conversations

“It is a sign of strength, not weakness, to ask for help”

Phone: 0820-2922430

Email: student.support@manipal.edu

Location: No. 125, Opposite International Hostel, Manipal University

The Student Support Centre (SSC) is a completely **confidential** service devoted to supporting the **emotional well-being** of students. Keeping in mind that going to large hospitals often causes distress and dissuades students from seeking help, the Centre is located in a quiet residential area that ensures **privacy** and **accessibility**.

Students can consult with qualified **clinical psychologists** and all services are covered by Medicare, so there are **no payments** to be made at the Centre. SSC files are **delinked** from academic records and hospital records.

SSC is a **safe comfortable space** that protects student confidentiality and prioritises their **wellness**.

Additional and helpful resources are available on a continually updated website:

Some of the situations in which students can benefit from seeking professional help include:

- coping with sustained sadness or anger
- trouble with concentration and academics
- grief and loss of someone or something important
- inability to move past a traumatic event
- difficulties with sleep and mood
- feeling socially isolated
- wanting to change something about oneself but being unable to
- dependence on stimulants
- disturbing thoughts that cannot be controlled
- loss of enjoyment in things that previously gave joy
- recurrent stress and anxiety
- just not feeling like oneself on most days

“It is a sign of strength, not weakness, to ask for help”

Anti Ragging

As we know it is mandatory as per the Hon. Supreme Court & UGC/MHRD Regulations that all students fill in an Anti Raging Undertaking, each year. To make the process easy MHRD has developed an online facility.

Undertaking can be filled ONLINE at:

www.amanmovement.org (OR) www.antiragging.in

All students should fill their Undertaking on any of the two web sites.
