3rd Floor, Dr TMA Pai Auditorium
Kasturba Medical College, MAHE, Manipal

About the Conference

Health care system is evolving rapidly around the globe through consolidation, corporatization and accreditation processes. Quality and safety of health care delivery plays a pivotal role in this scenario. Clinical pharmacists can catalyse the changes required in healthcare sector for adapting to the evolving system by collaborating with other healthcare providers.

Highlights:

- Academic and Research conclave of pharmacy practitioners and students from various institutions in India and abroad in collaboration with other healthcare practitioners.
- Educational Symposiums and plenary sessions from multi-disciplinary dimension.
- Research presentations.
- Professional Networking.
- Providing platform for Academy-Industry collaborated projects and many more...
