## **Manipal Academy of Higher Education (MAHE)**

Manipal Academy of Higher Education is synonymous with excellence in higher education. Over 28,000 students from 57 different nations live, learn and play in the sprawling educational town, nestled on a plateau in Karnataka's Udupi district. It also has nearly 2500 faculty and almost 10000 other support and service staff, who cater to the various professional institutions in health sciences, engineering, communication and humanities, management which dot the Wi-Fi enabled campus. MAHE has off-campuses in Mangaluru and Bengaluru, and off- shore campuses in Dubai (UAE) and Melaka (Malaysia). Every institute has world class facilities and pedagogy, which are constantly reviewed and upgraded to reflect the latest trends and developments in higher education.

## **Manipal College of Pharmaceutical Sciences (MCOPS)**

This 55-year old institution, is a behemoth among colleges those offering programs in pharmaceutical sciences in the country. The growth of the institution has been spectacular, thanks to the benevolent management, dedicated faculty, supporting staff and enterprising students.

MCOPS attracts meritorious students from across the length and breadth of India and from abroad. MCOPS is known for quality in academics, research and extracurricular activities. At MCOPS, learning is facilitated through conduct of workshops, conferences, symposiums and seminars.

MCOPS has been the launching pad for a large number of highly successful pharmaceutical scientists, entrepreneurs and academicians. The institution continues on its onward journey, true to its slogan - Marching with the Times.

## **Department of Pharmacy Practice**

The Department of Pharmacy Practice was established in 2001. The department provides clinical pharmacy training to its students and services to health care providers at the Kasturba Hospital. Faculty members are trained at various universities and hospitals in USA, Canada and Sweden. The department has expertise in diverse areas such as Medication review, Patient safety programs, Pharmacometrics, Toxicology consultations, Antibiotic stewardship, Assessment of evidence for therapeutics etc.
