

MANIPAL-TATA MEDICAL COLLEGE JAMSHEDPUR

Dean/009/MTMC

Date: 01.08.2023

MEDICAL EDUCATION UNIT

Sub: Reconstitution of MTMC - Medical Education Committee.

The need to induct new members into the Medical Education Unit at Manipal Tata Medical College, Jamshedpur, was presented with the revised NMC regulations for MET dated 22nd March 2023.

It was agreed that the following broad objectives need to be met:

- All faculty are made aware of and trained in the use of modern educational technology to effective and efficient delivery of teaching for the medical students.
- As a continuous developmental process, the institution conducts faculty development programmes, including providing learning resources / materials to the faculty involved in teaching MBBS students.
- Implementation of MBBS curriculum mandated by MCI(NMC) and coordination of activities concerning the same.

To achieve the above, it was opined that there is a need to induct new members the Medical Education Unit (MEU) at the institution as per the NMC norms due to available vacancies. It was also proposed and agreed to that the following faculty be on board the Medical Education Unit:

Department of Medical Education				
Vice Chancellor: Lt. Gen. (Dr) M. D. Venkatesh (MAHE)				
Dean: Dr. G Pradeep Kumar, Dean				
Head: Dr Vijay Kautilya Dayanidhi, (Associate Dean- Paraclinical, Professor, Forensic Medicine & Toxicology)				
Name & Department	Revised Basic	ACME	FAIMER Fellowship	CISP
